

MY BLUE CAT 1

Sam is my blue cat
and it's wearing a hat.
Its skin is very blue
because he eats strange food.

I found it
in a quiet street.
It smells very bad
so a shower he had.

Sam has a dog friend,
its name is Fred.
They always play
in a dark, cold cave.

It's favorite sport
is to play with a ball.
He is a little crazy
but the vet says it's lazy.

MESSY ROOM

My bedroom is full of trash
and my clothes are on the floor,
the colour of the glass,
is like the brown of the door

But it is fun for us,
our parents didn't think like that
For one day they got really mad
I even had to clean the rug.

MY BLUE CAT 2

My blue cat,
is very fat,
oh, yeah!
Now it's very bad

I went to the vet
and she put it in bed.
passed it through x-ray
and she said it couldn't play

My cat is the lucking pro,
but it's also my bro,
It has got blue eyes,
and everybody likes

I want to throw it up
because my cat
is eating a rat
I really think it's mad.

We went home,
with my friend Tom,
we were playing Ps4
and my cat broke my phone

I'm very angry
and my cat is very hungry,
I'm going to punish him
without eating fish.
