

## **CORK, IRELAND 2010**

In this Irish city we have spent one of the best summers of our life. On Saturdays we went on excursions, on Thursdays to the disco, other days we went bowling... There wasn't time for being bored.

Our families were very nice, and they were always making sure we had everything we needed. We had a lot of freedom: in our spare time we met with our friends in the city centre. But the excursions were the best. Everything we visited was very interesting and we had a great time. Our favourite excursion was Dublin. We went shopping, and although it was raining, we enjoyed it.

On weekdays we arrived at school at half past nine in the morning and had a break at eleven o'clock. After the classes, we had lunch and played sports like basketball and badminton. At six o'clock we had dinner at home and then we went out until ten o'clock. We had to travel everywhere by bus. Sometimes it was on time and other times it was late. But we got used to it.

To sum it up, this month has been incredible. We made new friends and learnt a lot. We would love to come back again next summer.
